Taylors and Francis

Journal Selection Checklist

Use this checklist as a practical pre-submission review. Always compare it with the target journal's current requirements.

Journal Fit

■	Aims and scope match the research.
■	Recent articles are relevant to the topic.
■	The journal accepts the manuscript's article type.
■	The intended readership is appropriate.

Journal Verification

■	Journal title and ISSN have been verified.
■	Publisher information has been checked.
■	Current indexing status has been verified through an appropriate source.
■	Relevant metrics or quartile information has been checked for the correct year/category.

Practical Requirements

■	Author guidelines have been reviewed.
■	Word limit is suitable.
■	Publication model is understood.
■	Applicable fees have been reviewed.
■	Submission requirements are understood.

Note: This checklist is educational and should be checked against the current requirements of the target journal or publisher.
